

## how to donate items

### All Goods

If you have any unwanted items that you wish to donate to the Hospice please take them down to one of our charity shops and our shop volunteers will be pleased to receive them. Please can you make sure that any goods are clean and, where appropriate, in working order.

### Bulky items

If you have furniture or the items are too bulky for you to take to one of our shops then please telephone the Hospice and we can arrange to collect the goods from you.

### Furniture

Please note that we can only take furniture if it complies with the latest fire regulations and has an appropriate fire retardent label attached.

### Electrical

We do sell good quality electrical items which we arrange to have tested prior to sale.

### Televisions

Please call in at your local Hospice Shop to enquire about the current situation regarding Televisions. There are certain limitations on the Tv's we can accept.

### Toys

We can only sell toys (including soft toys) which have the CE mark clearly displayed.

**For further information, or to arrange a collection, please contact the Hospice on 01942 525566.**
