

collecting tins

“Look after the pennies and the pounds will look after themselves”

Collecting tins have been the traditional method of fundraising since the Hospice first began. The idea is simple – you take one of our collecting tins and place it in a convenient location such as an office, shop, public house, clubhouse etc. In no time at all, the tin will be full of loose change. We are always searching for new outlets so if you know of somewhere where a tin may be sited please let us know.

If you would like a tin at your premises, or to arrange collection once the tin is full; simply give us a call on **01942 525566** or [click here](#) and we will arrange to collect and replace it with an empty one.

How you can help

We are always on the look out for new volunteers who will assist in the distribution and collection of tins. If you could offer an hour or two each week, please contact the Voluntary Services Department on 01942 525566.

For more information, please contact [the fundraising department](#).
