

business support group

The Business Support Group was launched in 1998 to enable local businesses / organisations to provide financial support for the Hospice. Membership of the Group costs just £300 per annum which goes toward the £1.5 million required annually from charitable sources, to maintain current Hospice services.

Some of the benefits of memberships are as follows:

- the contribution is a tax-efficient donation
- membership can help to raise the business profile
- the opportunity to use the Hospice logo on letterheads, websites etc.
- acknowledgment of membership in a book at Hospice reception.
- a link from the Hospice website to the member
- a list of members is displayed in the Hospice Reception

We are always on the look out for new members.
