

how you can help

Every year the Hospice has to raise over £1.5 million from the local community to maintain its existing level of specialist services.

You can support the Hospice by organising your own event or taking part in one or more of the Hospice's own fundraising initiatives such as:

- [Manchester to Blackpool Bike Ride](#)
- [STAR TREKKERS](#)
- [Light for a Life Appeal](#)
- [Hospice Lottery](#)
- [Business Support Group](#)

The Hospice arranges many other fundraising events including Golf Days, Fairs, the Hospice Ball and many more. Click [here](#) or a full events calendar.

it's all over now
