

Visiting

Patients on the in-patient unit are able to receive visitors at any time without restriction.

- If a large group of visitors would like to attend at the same time, please discuss with staff in advance
- There are no restrictions on the length of visiting times
- Children are welcome, subject to adequate adult supervision
- Pets are also welcome if previously agreed with staff.
- Patient, staff and visitor safety is of paramount importance, please take sensible safety precautions at all times
- Sandwiches, drinks, snacks and other items can be purchased at the shop in reception (*when open*)
