

What is a Hospice?

A PLACE OF SANCTUARY ON A DIFFICULT JOURNEY

Take a few moments for a short journey of discovery to dispel the myths and discover the reality....

Wigan & Leigh Hospice is a bright, modern building staffed by dedicated, caring professionals and assisted by volunteers; whose sole objective is to provide care, compassion and support for patients living with a life-limiting condition and their loved ones. This care is often referred to as palliative care.

[More Than You Think](#)

There are many misconceptions about Hospice Care.

Many people believe patients only come to the Hospice for end of life care. Take a journey of discovery on this site to discover the truth...

[Why is a hospice different?](#)

Wigan & Leigh Hospice is an independent charitable organisation, able to react quickly to patients' needs and offering total holistic care to patients and their whole family.
